#### A NORWICH INQUIRY

Answered By the Statement Of a Nor-wich Resident.

When first the long series of reports of Norwich people who have been relieved by Doan's Kidney Pills were published in the local press, great enthusiasm and interest were aroused. But Norwich is now inquiring "How are these people keeping today? How has the benefit they received withstood the test of time?" For that, after all, is the essential test of a cure. On this point doubt can no longer exist, for after many years those who have been cured, emphatically declare their cures to be lasting.

D. J. Brown, & Summer St., Norwich, says: "The results that followed the use of Doan's Kidney Pills in my case were satisfactory. I got this remedy at N. D. Sevin & Son's Drug Store and it proved effective in strengthening my kidneys and relieving other symptoms of kidney trouble."

### A LASTING EFFECT.

At a later interview, Mr. Brown said: "I still hold a high opinion of Doan's Kidney Pills and confirm the public statement I gave in their praise some years ago. Kidney trouble and I have been strangers for a long time."

It will be one of the picnics going out of Norwich that week where both men and women will be included in contrast to several others in Norwich about this time which will include only the male sex. E. H. Berry, chairman, Mrs. Charles Hagberg, and Murray D. Lincoln are the committee in charge and they have set the time of departure at 8.45 by the trolleys and promise that 8.45 by the trolleys and promise that, the day will be one long to be remem-bered by those who are so fortunate as to have a chance to go.
